# WELCOME TO THE GOLDEN TRIANGLE

**WORLD-CLASS LOCATION** Stretching from the front yard of the White House to Dupont Circle, the Golden Triangle neighborhood is Washington DC's central business district and an amazing convergence of people, power, and commerce. You'll find more than 200 restaurants, 300 shops and services, and seven hotels in this vibrant area of downtown DC, all listed here in this guide.

**ACCESS THIS GUIDE ON YOUR MOBILE PHONE**

Visit [m.goldentriangledc.com](http://m.goldentriangledc.com) for mobile-friendly listings of this guide and additional details on events and promotions going on in the neighborhood.

**THE GOLDEN TRIANGLE BID** This neighborhood is supported by the Golden Triangle Business Improvement District (BID), a 501(c)(6) organization with a mission to create an inviting and vibrant environment within the Golden Triangle's 43 blocks of public space for workers, residents, and visitors. We do this through numerous programs, services, and publications like this one.

## IMPROVING THE STREETS

We strive to give you a better experience on the streets. Some things we've done include installing more than 330 bike racks to make getting here easier; bringing public art to the area with a wall mural, historic callbox art, and a creative bike rack; and providing a long-term vision for great-looking streets to ensure each block looks its best.

## GREAT DEALS

Check out our website at [www.goldentriangledc.com](http://www.goldentriangledc.com) for up-to-date information on great deals and discounts going on at the shops and restaurants in the neighborhood. You can also sign up on the website to receive newsletters and notices from us about the upcoming events and promotions going on in the Golden Triangle.

# GOLDEN TRIANGLE EVENTS

The Golden Triangle BID sponsors fun and educational events throughout the year for people who work or visit the neighborhood. Events like our popular summer concert series in Farragut Square Park, Emergency Preparedness Fair, Flowers for Phones, and others make for great free ways to enjoy your time in the Golden Triangle.

## AMBASSADORS

Golden Triangle Ambassadors are here for you—whether you need directions to a meeting or a suggestion for a place to eat, our Ambassadors are more than happy to help you out. They also work to keep our streets golden by emptying trash cans, sweeping curbs, painting light poles, and much more.

## HOMELESS OUTREACH WORKERS

Workers meet with homeless people on the streets to help them get the assistance and social services they need. In 2009, Golden Triangle outreach workers helped 36 chronically homeless individuals off the streets of the Golden Triangle and into permanent housing.
